Instructions New Association level officials are required to undertake a practical set of steps in an apprentice role in 10 different capacities at 10 separate meets over a two-year period. Of the ten meets, at least one must be from each of the following types of meets: a Youth or Masters meet, an Open meet, a High School meet, and a College/University meet. You are also urged to officiate at a Special Olympics or disabled athletes meet. You may complete the tasks in any order, but please secure a sign-off from your supervising official at each competition.
